(Coauthors: Assembly Members Beall, Block, Blumenfield, Chesbro,
Coto, Eng, Bonnie Lowenthal, Ma, and Skinner)
(Coauthors: Senators DeSaulnier and Price)

February 25, 2009

An act to add Part 21 (commencing with Section 42001) to Division 2 of the Revenue and Taxation Code, relating to taxation. An act to add Chapter 8 (commencing with Section 99500) to Part 65 of Division 14 of Title 3 of the Education Code, and to add Part 21 (commencing with Section 42001) to Division 2 of the Revenue and Taxation Code, relating to postsecondary education, making an appropriation therefor, and declaring the urgency thereof, to take effect immediately.

LEGISLATIVE COUNSEL'S DIGEST

AB 656, as amended, Torrico. State Board of Equalization: annual report: oil and gas severance tax revenue estimates.

Existing

(1) *Existing* law establishes the University of California, under the administration of the Regents of the University of California, the

California State University, under the administration of the Trustees of the California State University, and the California Community Colleges, under the administration of the Board of Governors of the California Community Colleges, as the 3 segments of public postsecondary education in this state.

~~Existing law requires the State Board of Equalization to administer and collect sales and use taxes, motor vehicle fuel and diesel taxes, alcohol taxes, cigarette and tobacco products taxes, and other taxes and fees.~~

~~This bill would require the board, on or before November 1 of each year, to report to the Legislature, the Regents of the University of California, the Trustees of the California State University, and the Board of Governors of the California Community Colleges the estimated amount of revenue that would be raised if an oil and natural gas severance tax were imposed upon any producer for the privilege of severing oil or gas from the earth or water in the state at the rate of 12.5% per barrel. The report shall include a summary of the estimated amount of revenues that would be distributed to specified institutions of higher education, as provided.~~

This bill would establish the California Higher Education Endowment Corporation (CHEEC). The bill would establish an oversight board to govern the CHEEC and would require that board to appoint the chief executive officer of the CHEEC. The bill would require the CHEEC to annually allocate the moneys in the continuously appropriated California Higher Education Fund, which would be created by the bill, to the California Community Colleges, the California State University, and the University of California, as specified. The bill also would authorize the board to invest the moneys in the fund in accordance with prescribed procedures.

(2) Existing law imposes various taxes, including taxes on the privilege of engaging in certain activities. The Fee Collection Procedures Law, the violation of which is a crime, provides procedures for the collection of certain fees and surcharges.

This bill would impose an oil and gas severance tax upon any producer for the privilege of severing oil or gas from the earth or water in this state for sale, transport, consumption, storage, profit, or use, as provided, at a rate of 12.5% of the gross value of the product. The tax would be administered by the State Board of Equalization and would be collected pursuant to the procedures set forth in the Fee Collection Procedures Law. The bill would require the board to deposit all taxes,

penalties, and interest collected pursuant to these provisions in the California Higher Education Fund, as provided.

Because this bill would expand application of the Fee Collection Procedures Law, the violation of which is a crime, it would impose a state-mandated local program.

(3) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

(4) This bill would declare that it is to take effect immediately as an urgency statute.

Vote: ~~majority~~^{2/3}. Appropriation: ~~no~~-yes. Fiscal committee: yes. State-mandated local program: ~~no~~-yes.

The people of the State of California do enact as follows:

1 SECTION 1. The Legislature hereby finds and declares all of
2 the following:

3 (a) A recent study by the Public Policy Institute of California
4 stated that California's need for college-educated workers is
5 outpacing the state's ability to produce them, and that gap is
6 expected to widen in the future.

7 (b) Forty-one percent of California workers will need a
8 bachelor's degree to meet the state's projected economic demand
9 in the year 2025 if current trends continue, yet changes in the
10 California workforce make it unlikely that this demand will be
11 met.

12 (c) The percentage of college-educated workers has increased
13 significantly in recent years, from 28 percent in 1990 to 34 percent
14 in 2006, but the rate of increase is expected to slow because people
15 between 50 years of age and 64 years of age currently have the
16 highest levels of education, and that group will reach retirement
17 age by 2025.

18 (d) Groups such as Latinos will make up 40 percent of the state's
19 labor force by 2020, but only 12 percent of Latinos are on pace
20 to hold a bachelor's degree by that date.

21 (e) As the growth in the number of college-educated workers
22 slows, the supply of workers with a high school diploma or less

1 education is projected to exceed economic demand, resulting in
2 lower wages and fewer job opportunities for those workers, and
3 resulting in higher wages for college-educated workers as demand
4 for their skills increases.

5 (f) The lack of an educated workforce will deny the state the
6 ability to draw upon the critical resources that are necessary to
7 assist with the state's current economic crisis and to support future
8 economic growth.

9 (g) The current budget proposals will jeopardize the enrollment
10 of 10,000 students into the California State University system.

11 SEC. 2. It is the intent of the Legislature that this act provide
12 additional sources of higher education funding in order to keep
13 up with the growing demand for a skilled labor force.

14 SEC. 3. Chapter 8 (commencing with Section 99500) is added
15 to Part 65 of Division 14 of Title 3 of the Education Code, to read:

16

1 (1) Upon a first finding, the board shall place the recipient
2 campus or related administrative office on probation status and

37 (1) Fifty percent to the California State University.

38 (2) Twenty-five percent to the University of California.

39 (3) Twenty-five percent to the California Community Colleges.

1 (b) The board shall annually allocate a portion of the funds
2 made available in paragraph (2) of subdivision (a) to provide

4 University of Medicine and Science.

5 (c) The board shall ensure that a portion of the money allocated
6 pursuant to subdivision (a) is directed to campuses with nursing
7 programs located in counties it determines to have the most need.
8 Need in a county shall be established based on consideration of
9 all of the following factors:

10 (1) Counties with a registered nurse to population ratio equal
11 to or less than 500 registered nurses per 100,000 individuals.

12 (2) County unemployment rate.

13 (3) County level of poverty.

14 (d) The funding established pursuant to this chapter shall be
15 used to supplement, not supplant, existing levels of state funding
16 for the California State University, the University of California,
17 and the California Community Colleges. In any academic year,
18 those institutions of higher education shall receive an amount that
19 is no less than the average amount that has been appropriated for
20 the institutions of higher education during the five most recent
21 fiscal years preceding the enactment of this chapter.

22 99514. (a) The board has exclusive control of the investment
23 of the fund. Except as otherwise restricted by the California
24 Constitution and by law, the board may, in its discretion, invest
25 the assets of the fund through the purchase, holding, or sale of
26 any investment, financial instrument, or financial transaction, if
27 the investment, financial instrument, or financial transaction is
28 prudent in the informed opinion of the board.

29 (b) The board may itself make any investment authorized by
30 law or sell any security, obligation, or real property in which
31 moneys in the fund are invested, by affirmative vote of a majority
32 of the board, or by the same affirmative vote, may from time to
33 time adopt an investment resolution that shall contain detailed
34 guidelines by which to designate the securities and real property
35 that are acceptable for purchase or sale. While the resolution is
36 in effect, securities and real property may be purchased for
37 investment by an officer or employee of the board designated by
38 it for that purpose, and sales of securities may be consummated
39 by the officer or employee under the conditions prescribed.

1 *Purchases and sales of securities shall be reported to the board,*
2 *on a monthly basis, at its next regular meeting.*

3 *(c) Any investment transaction decisions made during a closed*
4 *session pursuant to paragraph (16) of subdivision (c) of Section*
5 *11126 of the Government Code shall be by rollcall vote entered*
6 *into the minutes of that meeting. The board, within 12 months of*
7 *the close of an investment transaction or the transfer of system*
8 *assets for an investment transaction, whichever occurs first, shall*
9 *disclose and report the investment transaction at a public meeting.*

10 *(d) In addition to the other investments authorized by this article,*
11 *the board may invest in real estate, leases of real estate, and*
12 *improvements on real estate for business or residential purposes*
13 *as an investment for the production of income.*

14 *SEC. 4. Part 21 (commencing with Section 42001) is added to*
15 *Division 2 of the Revenue and Taxation Code, to read:*

16
17 *PART 21. OIL AND GAS SEVERANCE TAX LAW*
18

19 *42001. This part shall be known, and may be cited, as the Oil*
20 *and Gas Severance Tax Law.*

21 *42002. For purposes of this part, the following definitions shall*
22 *apply:*

23 *(a) "California Higher Education Fund" or "CHEF" means*
24 *the account that is created by Section 42147.*

25 *(b) "Gas" means all natural gas, including casing head gas,*
26 *and all other hydrocarbons not defined as oil in subdivision (e).*

27 *(c) "Gross value" means the sale price at the mouth of the well,*
28 *including any bonus, premium, or other thing of value, paid for*
29 *the oil or gas, as determined by a rolling 30-day average daily*
30 *value, as established by the market price of the product. The board*
31 *shall determine the base indexes from which the average shall be*
32 *calculated. If the oil or gas is exchanged for something other than*
33 *cash, if there is no sale at the time of severance, or if the relation*
34 *between the buyer and the seller is such that the consideration*
35 *paid, if any, is not indicative of the true value or market price,*
36 *then the board shall determine the value of the oil or gas subject*
37 *to the tax based on the cash price paid to the producer for like*
38 *quality oil or gas in the vicinity of the well.*

1 (d) “Higher education” means the California Community
2 Colleges, the California State University, and the University of
3 California.

4 (e) “Oil” means petroleum, or other crude oil, condensate,
5 casing head gasoline, or other mineral oil that is mined, produced,
6 or withdrawn from below the surface of the soil or water in this
7 state.

8 (f) “Political subdivision of the state” includes any local public
9 entity, as defined in Section 900.4 of the Government Code.

10 (g) “Producer” means any person that takes oil or gas from
11 the earth or water in this state in any manner; any person that
12 owns, controls, manages, or leases any oil or gas well in the earth
13 or water of this state; any person that produces or extracts in any
14 manner any oil or gas by taking it from the earth or water in this
15 state; any person that acquires the severed oil or gas from a person
16 or agency exempt from property taxation under the United States
17 Constitution or other laws of the United States or under the
18 California Constitution or other laws of the State of California;
19 and any person that owns an interest, including a royalty interest,
20 in oil or gas or its value, whether the oil or gas is produced by the
21 person owning the interest or by another on the person’s behalf
22 by lease, contract, or other arrangement.

23 (h) “Product” means either a barrel of oil, which means 42
24 United States gallons of 231 cubic inches per gallon computed at
25 a temperature of 60 degrees Fahrenheit or gas, as measured per
26 thousand cubic feet (Mfc) at a base pressure of 15.025 pounds per
27 square inch absolute and at a temperature base of 60 degrees
28 Fahrenheit.

29 (i) “Production” means the total gross amount of oil or gas
30 produced, including the gross amount attributable to a royalty or
31 other interest.

32 (j) “Severed” or “severing” means the extraction or
33 withdrawing from below the surface of the earth or water of any
34 oil or gas, regardless of whether the extraction or withdrawal
35 shall be by natural flow, mechanical flow, forced flow, pumping,
36 or any other means employed to get the oil or gas from below the
37 surface of the earth or water, and shall include the extraction or
38 withdrawal by any means whatsoever of oil or gas upon which the
39 tax has not been paid, from any surface reservoir, natural or
40 artificial, or from a water surface.

1 (k) “Stripper well” means a well that has been certified by the
2 Division of Oil, Gas, and Geothermal Resources in the Department
3 of Conservation as an oil well incapable of producing an average
4 of more than 10 barrels of oil per day during the entire taxable
5 month or a gas well that is incapable of producing more than 60
6 thousand cubic feet of gas per day. Once a well has been certified
7 as a stripper well, that stripper well shall remain certified as a
8 stripper well until the well produces an average of more than 10
9 barrels of oil per day during an entire taxable month.

10 42010. There is hereby imposed an oil and gas severance tax
11 upon any producer for the privilege of severing oil or gas from
12 the earth or water in this state for sale, transport, consumption,
13 storage, profit, or use, at the rate of 12.5 percent of the gross value
14 of the product, and the tax shall be applied equally to all portions
15 of the gross value of the product.

16 42011. Except as otherwise provided in this part, the tax shall
17 be upon the entire production in this state, regardless of the place
18 of sale or to whom sold or by whom used, or the fact that the
19 delivery may be made to points outside the state.

20 42012. The tax imposed by this part shall be in addition to any
21 other taxes imposed by law, including, without limitation, any ad
22 valorem taxes imposed by the state, or any political subdivision
23 of the state, or any local business license taxes that may be
24 incurred as a privilege of severing oil or gas from the earth or
25 water or doing business in that locality. There shall be no
26 exemption from the payment of an ad valorem tax related to
27 equipment, material, or other property by reason of the payment
28 of the gross severance tax pursuant to this part.

29 42013. (a) The tax imposed by this part shall not be passed
30 through to consumers by way of higher prices for oil, natural gas,
31 gasoline, diesel, or other oil or gas consumable byproducts, such
32 as propane and heating oil. The board shall monitor and, if
33 necessary, investigate any instance where producers or purchasers
34 of the oil or gas have attempted to gouge consumers by using the
35 tax as a pretext to materially raise the price of oil, natural gas,
36 gasoline, diesel, or other oil or gas consumable byproducts, such
37 as propane and heating oil.

38 (b) This section applies when not superseded by federal law.

39 42014. Two or more producers that are corporations and are
40 owned or controlled directly or indirectly, as defined in Section

1 25105, by the same interests shall be considered as a single
2 producer for purposes of application of the tax prescribed in this
3 part.

4 42015. There shall be exempted from the imposition of the oil
5 and gas severance tax imposed pursuant to this part, oil or gas
6 produced by a stripper well in which the average value of oil or
7 gas is less than three-quarters of the average gross value of the
8 product as of the first day of the previous calendar quarter.

9 42016. There shall be exempted from the imposition of the oil
10 or gas severance tax imposed pursuant to this part, all oil or gas
11 owned or produced by any political subdivision of this state,
12 including that political subdivision's proprietary share of oil or
13 gas produced under any unit, cooperative, or other pooling
14 agreement.

15 42017. The tax imposed by this part is due and payable to the
16 board quarterly on or before the last day of the month next
17 succeeding each calendar quarter.

18 42018. (a) Any producer that fails to pay any tax within the
19 time required shall pay, in addition to the amount of tax owed,
20 interest at the rate of $1\frac{1}{2}$ percent per month, or fraction thereof,
21 from the date on which the tax became due and payable to and
22 including the date of payment.

23 (b) Every payment on a delinquent tax owed pursuant to this
24 part shall be applied as follows:

25 (1) First, to any interest due on the tax.

26 (2) Second, to any penalty imposed by this part.

27 (3) Third, the balance, if any, to the tax due.

28 42019. Each producer shall prepare and file with the board a
29 return in the form prescribed by the board containing information
30 as the board deems necessary or appropriate for the proper
31 administration of this part. The return shall be filed on or before
32 the last day of the calendar month following the calendar quarter
33 to which it relates, together with a remittance payable to the board
34 for the amount of tax due for that period.

35 42022. The board may prescribe those forms and reporting
36 requirements as are necessary to implement the tax, including, but
37 not limited to, information regarding the location of the well by
38 county, the gross amount of oil or gas produced, the price paid
39 therefor, the prevailing market price of oil or gas, and the amount
40 of tax due.

1 42145. The board shall administer and collect the tax imposed
2 by this part pursuant to the Fee Collection Procedures Law (Part
3 30 (commencing with Section 55001)). For purposes of this part,
4 the references in the Fee Collection Procedures Law to “fee” shall
5 include the tax imposed by this part and references to “feepayer”
6 shall include a person required to pay the tax imposed by this part.

7 42146. The board shall, upon appropriation, be reimbursed
8 for expenses incurred in the administration and collection of the
9 tax imposed by this part.

10 42147. The California Higher Education Fund is hereby
11 created in the State Treasury. Notwithstanding Section 13340 of
12 the Government Code, moneys in the fund are continuously
13 appropriated, without regard to fiscal year, to the California
14 Higher Education Endowment Corporation established by Section
15 99502 of the Education Code.

16 42168. With the exception of payments of refunds and
17 reimbursement to the board for expenses incurred in the
18 administration and collection of the tax imposed by this part, all
19 taxes, interest, penalties, and other amounts collected pursuant to
20 this part shall be deposited into the California Higher Education
21 Fund.

22 42169. The provisions of this part are severable. If any
23 provision of this part or its application is held invalid, that
24 invalidity shall not affect other provisions or applications that can
25 be given effect without the invalid provision or application.

26 SEC. 5. No reimbursement is required by this act pursuant to
27 Section 6 of Article XIII B of the California Constitution because
28 the only costs that may be incurred by a local agency or school
29 district will be incurred because this act creates a new crime or
30 infraction, eliminates a crime or infraction, or changes the penalty
31 for a crime or infraction, within the meaning of Section 17556 of
32 the Government Code, or changes the definition of a crime within
33 the meaning of Section 6 of Article XIII B of the California
34 Constitution.

35 SEC. 6. Section 4 of this act shall become operative on the first
36 day of the first calendar quarter commencing more than six months
37 after this act is enacted.

38 SEC. 7. This act is an urgency statute necessary for the
39 immediate preservation of the public peace, health, or safety within

1 *the meaning of Article IV of the Constitution and shall go into*
2 *immediate effect. The facts constituting the necessity are:*
3 *In order to mitigate the impacts of funding reductions to*
4 *institutions of higher education as soon as possible, it is necessary*
5 *that this act take effect immediately.*
